Selfridges' retail manager,
selects her favourite iPad
Air accessories

1. Octa TabletTail: Monkey Kit,

£50 "This super-flexible stand has a poseable tail for positioning the tablet at any angle. Its suction pump means that it will stay attached all day."

2. Tucano Filo Case, £40

"I'd recommend Tucano's rigid hard case and stand to anyone. Features classy Italian styling and a silent magnetic catch."

3. The Stellé Audio Pillar, £299

"This great-sounding, 30.5cm-high stereophonic Bluetooth speaker is as stylish as the iPad Air. It's also loud, with a 3in subwoofer."
